

APPOINTMENT CANCELLATION / NO-SHOW POLICY

Digestive Disease Associates is privileged to provide medical and endoscopic treatment for our patients. We work diligently to maintain a high level of professional and personalized service. We strive to accommodate our patient's needs for office visits and procedures in a timely manner. This requires careful planning and coordination amongst many individuals in our office.

We understand that emergencies arise from time to time for our patients, just as they do for us. However, when a patient cancels an appointment or procedure without adequate notice, or simply fails to keep an appointment, we cannot use that time to serve the needs of other patients. Therefore, we have developed this policy regarding failure to keep appointments or cancelled appointments without adequate notice. This policy will also apply to scheduled procedures but the monetary consequences will be greater. We respectively request your understanding and agreement to our policy as is stated below.

OFFICE VISITS

Any established patient who fails to keep an appointment or who cancels or reschedules an appointment less than 24 hours in advance of their appointment will be charged a fee of \$25.00 per occurrence. For Monday appointments, cancellations must be made by noon on the preceding Friday. If an established patient fails to keep three appointments or fails to give adequate notice on three occasions, the practice will have the right to dismiss that patient.

PROCEDURES

Any patient who fails to keep an appointment for a procedure (upper endoscopy, colonoscopy, flexible sigmoidoscopy, endoscopic retrograde cholangiopancreatography) or remicade infusion; or who cancels or reschedules an appointment less than 48 hours in advance of their procedure or infusion will be required to pay \$75.00 per occurrence. For Monday appointments, cancellations must be made by noon on the preceding Thursday.

If an established patient fails to keep two appointments or fails to give adequate notice on two occasions, their primary care physician will be notified and the practice will have the right to dismiss that patient from the practice.

FEES

All fees charged by Digestive Disease Associates pursuant to this No-Show / Cancellation Policy are not payable by your insurance company.

All fees are payable on or at your next office appointment with your Digestive Disease Associates physician or within 30 days of receipt of billing statement from Digestive Disease Associates for that fee, whichever is earlier.
